

ENERGY EFFICIENCY REBATES

PART OF ALBERTA'S CLIMATE CHANGE PLAN

HELPING ALBERTANS DO THEIR PART TO CONSERVE ENERGY

The Alberta government is investing \$36 million over three years on energy efficiency rebates to help Albertans reduce how much energy they use in their day-to-day lives.

REBATE PROGRAMS

The consumer rebate programs are available to homeowners, new home buyers and taxi operators to offset the cost of making energy efficiency improvements. Eligible purchases are retroactive to January 1, 2009.

WHAT'S ELIGIBLE	REBATE VALUE
New homes <ul style="list-style-type: none"> • must achieve an EnerGuide efficiency rating of 80 or higher 	\$1,500-10,000
High efficiency heating systems <ul style="list-style-type: none"> • includes furnaces and boilers 	\$400-600
Clothes washers <ul style="list-style-type: none"> • all ENERGY STAR® clothes washers 	\$100
Insulation <ul style="list-style-type: none"> • upgrading insulation based on federal ecoENERGY home evaluation 	Up to \$3,150
Hot water heaters <ul style="list-style-type: none"> • energy efficient models based on federal ecoENERGY home evaluation 	\$250-300
Home energy evaluation <ul style="list-style-type: none"> • federal ecoENERGY home evaluation 	\$100 pre-retrofit evaluation \$100 post-retrofit evaluation
Taxi owners and operators <ul style="list-style-type: none"> • gasoline-electric hybrid vehicle (retroactive to July 1, 2008) 	Up to \$3,000

APPLYING FOR A REBATE

The provincial rebate program is administered by Climate Change Central, a non-profit organization created in 2000 to empower Albertans to take action on climate change.

To apply for a rebate, contact Climate Change Central at:

ALBERTA'S CLIMATE CHANGE PLAN

Alberta's strategy to reduce greenhouse gas emissions 200 megatonnes (Mt) by 2050 takes action on three fronts:

- conservation and energy efficiency
- greening energy production
- carbon capture and storage

For more information on Alberta's Climate Change Strategy, visit www.environment.alberta.ca or contact Alberta Environment:
